Minutes of the Cascade Mountain Men January 16, 2007

Meeting was called to order at 8PM by president elect Greg Field. Only 7 members were present at the time. This was a direct result of the recent snow and ice on the roads. According to CMM bylaws, 10 members are required at a meeting, to constitute a quorum.

Vern Steward offered some information for “the good of the order.” He said that he would be relinquishing his position as range master for club shoots. He has held this position for 5 years now. We are entertaining volunteers for someone to fill his position.

John Abbott stated that 105 sales tables have been sold for the March show.

Vern raised a concern that he observed during the December shoot. He stated that during a scoring session, it was noted that one shooter had cross-fired onto someone else’s target. The competitor then fire additional rounds onto his own target. As a clarification of CMM range rules, regardless of which target is fired upon, each competitor is entitled to 5 rounds down range, per target only!

No committee reports were given.

Note from the secretary: I am trying to update all contact information for our members. I am in need of your NRA membership number and expiration date, Washington State Muzzle Loaders Association membership number and expiration date or National Muzzle Loading Rifle Association membership number and expiration date. Please note that membership in one of the above 3 associations is a requirement of membership to Cascade Mountain Men. Phone or E-mail please (425) 865-8965 or Percman48@comcast.net
