COMMITTEE REPORTS

LEGISLATIVE:

WSMLA: Walt Christianson from WSMLA has approached John Abbott from the Seattle Trap and Skeet club about holding the Washington State Black Powder shotgun championship match at their facility. The Seattle T & S club has approved and will shut down the range for that purpose, if necessary. If not this year - next year for sure. John said that he would make sure that it is a GOOD event! Evergreen is not holding this event any longer.

It has been reported that the Snoqualmie Valley Rifle Club will be closed within 3 years. The Weyerhaeuser Company owns the land and has traded it. This was because the land could not be developed by Quadrant Co. The new owner will push to close the range.

See the WSMLA at <http://www.wamuzzleloaders.org/events>.

RENDEZVOUS:

RANGEMASTER: No report.

GUN SHOW: During the gun show, it was reported that someone was prowling cars in the parking lot. Although this was reported to Ian Dunleavy, as our security chief, the Cascade Mountain Men organization has no responsibility for parking lot security. There were 2 other shows going on at the fair grounds that weekend. 120 vendors were present.

LAND: No report due to the gun show requirement of full attention.

OLD BUSINESS

Jim Warfield has received the necessary financial information from Lee Johnson. The information should be complete for the accountant.

NEW BUSINESS

John Abbott reported on the annual WSMLA dinner. He said that it was a fun event and the food was delicious.

Bud Maune was nominated by Lee Johnson to chair the gun show again for next year. Bud agreed to do it again next year. This was so long as the club can manage with him in Arizona for 3 months of the year.

Second and approved

Lee noted that in previous years that Cascade Mountain Men have sponsored Juniors and Peewees events, at that the Pacific Primitive Rendezvous. He moved to donate \$250 for them again this year. 2nd and approved.

Jim Warfield announced that he has kidney cancer and will undergo surgery to remove one kidney on the 28th. He will be undergoing therapy. We all give Jim our best and pray for his speedy and complete recovery. Jim is stepping down as the club's business manager. He said that he has probably had this for several years, as it is a slow developing cancer. He will undergo a regimen of medication to arrest the development on his lower lungs. He may need to go in for more surgery to remove the small tumor on his other kidney as well.
