The Journal of the Cascade Mountain Men May, 2009

Minutes of the Cascade Mountain Men April 14th, 2009

Meeting was called to order at 8:00 P.M. by President Greg Field. 18 members were present.

Minutes of the March meeting were accepted as published.

Treasurer's report. Andy now has the club financial records. He gave a condense version of the financial report. He was unable to provide any information on the gun show proceeds, as all of the transactions have not yet been completed. More to follow in May.

COMMITTEE REPORTS

LEGISLATIVE: A letter from the second Amendment Foundation was read, regarding application of the recent Supreme Court ruling from Washington DC to gun prohibitions in Chicago.

You can provide your input to anyone, at any level of government. You only need to provide your name and address. This cuts down on prank e-mails.
https://writerep.house.gov/htbin/wrep_findrep

LAND: No research has been done this month, as members have been directing their attention toward the upcoming show.

WSMLA. The annual banquet was held in April.
See the WSMLA at <http://www.wamuzzleloaders.org/events>.

RENDEZVOUS: A committee was formed to evaluate and research the possibility of reviving the annual CMM rendezvous. Greg Field, Lee Johnson and Steve Baima.

RANGEMASTER: Reported in the news letter

GUN SHOW: Final tally will be provided at the May meeting.
* Feedback from other clubs indicate that they like to be against a wall (literally). This allows them to hang their club banners behind them.
* Camping at the fair grounds (7 spaces) cost our club \$720.00.

OLD BUSINESS

Jesse Vladez (Atty) has not provided us with any type of response yet. Andy Williamson is supposed to call him to determine status.

Bud Maune, Steve Baima and Dale Black joined together at the Issaquah Sportsmen's club to dismantle the club's horse trailer and haul it away to salvage. If anyone is interested, a short video clip is attached for your viewing pleasure (If you are receiving this newsletter VIA E-mail).

NEW BUSINESS

* City Workers around the Issaquah Sportsmen's Range recently complained about "rounds" leaving the range. Sportsmen's club is actively taking measures that will prevent this from occurring. Speculation is that cross-firing on the range may have contributed to this occurrence.

* There will be a service club / hobby club show at the Pickering barn across from Costco in Issaquah on April 25th. (Follow up to this): Thank you to the 4 members that participated. Bud Maune, Steve Baima, Harry Charowsky and Bob Austin were dressed in period clothing. We made many contacts with people who were interested in our organization. The members who participated had a good time and felt that it was time well spent.

* Bud moved to purchase 1000 "forever" stamps for the club. This represents a 4.76 percent return on our investment, given the current rate of postal increase. Jim Warfield amended to purchase 3000 stamps. 2nd & Approved.

Correspondence

* We received a letter from the widow of Mike Wasil. His ashes will be interred at Tahoma National Cemetery on May 27th. Mike was a prior-service Marine. All of his friends and interested guests are cordially invited to attend.

Good of the Order

Joe Schroeder has reproduced some handy firearms value forms. See him for a copy for your use.

Laurie is (still) always searching for information for the newsletter for the Issaquah Sportsmen's club. She said that she could use articles related to black powder shooting.

Questions or comments regarding information in this newsletter may be directed to the secretary. Phone or E-mail please (425) 865-8965 or percman48@comcast.net.

It is noted in this news letter that one requirement of membership to Cascade Mountain Men is outlined in Article V of our Bylaws, which states: Membership in good standing, in any one of the National Rifle Association, the National Muzzle Loading Rifle Association, or the Washington State Muzzle Loading Association shall be a prerequisite for membership in CMM. Please provide the secretary with your membership information in any of the above organizations. Thank you.
