COMMITTEE REPORTS

LEGISLATIVE: The issue of Senate Bill 2099 was brought up - AGAIN-. Joe Schroeder stated emphatically that this is a hoax that has been circulating for many months!

You can provide your input to anyone, at any level of government. You only need to provide your name and address. This cuts down on prank e-mails.

LAND: No research has been done this month.

OLD BUSINESS

Officers conducted an audit of the club financial records. They appear to be in order.

NEW BUSINESS

Sunday, August 30th, in Bothell, at 10:00 A.M. to 3:00 P.M. there will be another community service club expo. This will be similar to the expo that was held in Issaquah, several months ago. Bud Maune is the point of contact for this.

It was reported in July that a gift box of shooting supplies and equipment had been mailed off to Raiel Wilson. She has received it and sent back the following E-mail to thank us all:

Cascade Mountain Men - C/O Mr. Baima-

I recently returned from leave and received your package. Thank you very much for thinking of me and for getting things together so that I can shoot. We have a long weekend coming up and I have every intention of going out shooting. I just have to go pick up some powder. You supplied me with everything else that I need and I appreciate it more than I know how to express. Please thank everyone that contributed to making it all possible. Once again I am honored by your sponsorship of me.

Thank you again.

A barbeque was held at the Baima house, following the August shoot. It went well and was well attended - even the weather cooperated. A big thank you to Cascade Mountain Men club for the steaks. The left over steaks will be distributed as prizes at the next shoot. A recommendation for the next BBQ is to hold it on a different day from the monthly shoot. What are your comments?

Correspondence

Good of the Order

Laurie is (still) always searching for information for the newsletter for the Issaquah Sportsmen's club. She said that she could use articles related to black powder shooting.

Dick Armstrong's ticket was drawn for the door prize. Joe Schroeder's name was drawn for the carry over price. Congratulations. Joe was present to collect.

Questions or comments regarding information in this newsletter may be directed to the secretary. Phone or E-mail please (425) 865-8965 or percman48@comcast.net.

It is noted in this news letter that one requirement of membership to Cascade Mountain Men is outlined in Article V of our Bylaws, which states: Membership in good standing, in any one of the National Rifle Association, the National Muzzle Loading Rifle Association, or the Washington State Muzzle Loading Association shall be a prerequisite for membership in CMM. Please provide the secretary with your membership information in any of the above organizations. Thank you.
