

The Journal of the Cascade Mountain Men Mar. 2003

As you've probably heard by now, King County gave us quite a hard time this year, seeking to raise rates for renting the King County Fairgrounds to levels that would make it impossible for the Cascade Mountain Men to hold its annual show.

Please Pay your Dues, if you haven't

A message from our secretary, Doug Bennett:

"If annual dues are not paid by the April shoot, you will be required to pay the \$5 non-member fee to shoot in the match.

"Also, future newsletters will not be mailed unless dues are made current.

"The mailing label on this newsletter shows the most recent year for which YOUR dues have been received. If the year on the label is not 2003 – pay up pardner. FYI, there are 66 members on the active roster. All but 10 have paid their 2003 dues."

April Shoot on 4th Sunday

The April shoot will be on the 27th, not the 20th. Also the fifth match will be Black Powder Cartridge, "for the mascots enjoyment,"

according to Vern S.

CMM Show a Great Success

Here's a message from President Bud Maune about the great success of our recent show at Enumclaw and the future of the show:

"The annual gun show this year was very much a success. In the weeks leading up to the show, the going got a little bumpy working with King County on the rental of the fairgrounds. However, we worked through all of the issues and the show went on as scheduled. All of the tables and booths were sold-out.

"On Saturday, March 8, the gate attendance was about what we have experienced in previous years. Sunday, the gate was down a little. It did rain very hard at times on Sunday, and that may be what kept some folks at home.

The traders in the show were happy with the turnout and the business that they were able to do.

Our core group of show workers again did an outstanding job of putting on this show.

A special "thank-you" to Dennis Dunleavy, who coordinated all of the show activities.

Also, thank-you to every one of the members who contributed to the show. Every bit of work by our membership is important in making the gun show successful.

Our plans for the 2004 show are proceeding. We will be considering new locations, along with Enumclaw. We will also be considering how we want this event to be in future years. If you have ideas about how

the show can be improved, or if you have any other input on the show, let one of the club trustees know. The trustees will be meeting soon to launch the 2004 show.

Email Newsletters?

Trustee Phil Cooper has requested that I email his newsletter to him and save the costs of printing and postage. I think this is a great idea. Not only does it save the club money, but it creates less waste paper and gets the newsletter to you faster. So far, Bud Maune, Chuck Lacher, Phil Cooper, Michael Mahlock, Jim Knittel, and Paul Velotta are on the list.

Anyone else who wants to get their newsletter by email, send your address to gregf@cwizard.com.
