

The Journal of the Cascade Mountain Men - Aug. 2003

A message from President Bud Maune:

The first mailing to the traders for the gun show was sent out in July. We have reserved space in the first Monroe show for all of the traders who were in the last show. We know there will be a few past traders who will not come to Monroe, but we will get a few new ones too. As a result we are expecting that the show will be about the same size as in the last few years at Enumclaw.

Fliers for the show have gone all over the U.S., thanks to Big John and the other members who distributed them at the Western National Ronly near Bakersfield, CA.

The Executive Committee will be working on the layout of the Monroe show in the next few weeks, and we will put the main mailing out to the traders in October. As usual, CMM's October meeting on the 14th will start at 7:00PM. We will put the mailing

together and eat pizza before the business meeting at 8:00.

We need CMM members who are willing to be coordinators. Some of the coordination still needed is, Day Time Security, Overnight Security, Setup, Publicity, Advertising, and some others that we still haven't thought about. Little Joe has agreed to be the Gate Coordinator again, Big John will take on the big task of being the Trader Coordinator. We need to fill the other Coordinator jobs. If you have a special interest in being a Coordinator, or if you have some suggestions as to who would make a good one, contact Bud Maune. Bud will be the show General Manager and will coordinate the Coordinators. (Does that make sense?)

As usual, we will be counting on every member to contribute to the show effort. This is our one-and-only fund raising event. The smooth running of our club and the attainment of our long-term

goal of owning a Rendezvous Property are solely dependent on having a successful show every March. The Executive Committee meetings dealing with the show are open to all members. We will let you know when the meetings will be held so that you can join-in.

As special thanks to Doug Bennett for grabbing the bull by the horns and getting the show fliers out early. You can see the flier on the website, www.cascademountainmen.org, by going to the website homepage and clicking on Show Flier.

Great New CMM Web Site

If you haven't seen at our spiffy new web site, give it a look. Karen Martin has done a great job updating the look and information into a great web-based "face" for our club. It has sections that describe what we're all about, tells a bit

of club history, a photo gallery, contact information, advertises our muzzleloading gun show, has links to other clubs, and allows downloading our newsletter and membership application.

Email Newsletters?

One fourth of our members now get their newsletter by email. This saves the club printing and postage costs and means you'll get your newsletter sooner than you would by mail.

Anyone else who wants to get their newsletter by email, send your address to gregf@cwizard.com.
